Our adventure begins amidst the picturesque beauty of Malua Bay, launching into the remote wilderness of Deua National Park. Here, you'll encounter dramatic limestone escarpments, hidden gullies, and vibrant pinkwood rainforests, stepping back in time as we explore the historic mining town of Captains Flat before reaching the vibrant capital city of Canberra.

Traversing the rugged beauty of Brindabella National Park, we'll discover the picturesque village of Wee Jasper nestled within its idyllic valley before heading to Oberon. Prepare to be awestruck by the majestic Blue Mountains National Park, offering a unique perspective from the south.

Continuing our adventure, we'll visit the wildlife haven of Abercrombie River National Park before winding down in the charming town of Orange for the evening. Calling all history buffs! Our next stop is Hill End, home to the world's largest gold specimen, where we'll delve into the town's rich past and explore the iconic Bridal Track before resting in Bathurst.

Our journey concludes through the scenic Turon National Park, leading us back towards Lithgow and culminating in the majestic sights of Marrangaroo National Park, a fitting end in Katoomba.

Unforgettable Adventure. Lasting Impact.

Beyond the adventure, you'll be the hero in a different story. Your participation directly impacts the lives of children in rural and remote Australia who are sick, experiencing disadvantage or living with a disability.

Through your fundraising efforts, you'll help us deliver thousands of dollars in grants to local schools and organisations, providing them with the equipment and resources they desperately need. Last year alone, Variety motoring events raised a whopping \$3.638 million for kids in need!

Our participants tell us they join for the adventure but stay for the cause. Throughout the Variety 4WD Adventure, you'll witness firsthand the positive impact your contribution makes to kids and communities in need.

About Variety - the Children's Charity NSW/ACT

Since 1975, Variety has been a champion for children in Australia who are sick, experiencing disadvantage or living with a disability. We don't just stand by – we provide the tools they need to thrive! Through practical equipment, life-changing programs and fun events, Variety empowers kids to overcome challenges and live life to the fullest. We help them laugh, play, learn and simply be kids – just like they deserve.

Your support makes a real difference, directly impacting children in need. Fundraising goes beyond the 4WD Adventure route, reaching kids and families across NSW and ACT, year-round. In NSW alone, nearly 200,000 children need a helping hand. Variety, fuelled by the power of your generosity, can be that hand.

Join us in creating a brighter future for all kids. Let's ensure they all have the chance to shine!

Your Support Can Help Kids Like Mikey

"Mikey is my middle child. He's always happy, he's always smiling. He loves the outdoors and is just always on the go", shares his mum, Tina.

Mikey is globally and developmentally delayed due to a rare genetic condition he was born with. He is only one of seven people worldwide with the same condition.

Mikey attends Fernhill School in Glenmore Park, a school that provides specialist and intensive support for students with moderate to high learning and support needs. Last year, we granted seven We Join Grants, one of which was to Fernhill School for adaptive bikes.

"They give him independence. Being adaptive, the bikes give him the opportunity to get out there and give him a sense of freedom, just him being able to do what other kids can do and not being left out. It makes me happy because I know he's enjoying himself."

"Being able to have the bikes at school means freedom, independence and happiness for Mikey. Thank you, Variety!"
