Your Support Can Help Kids Like Cale

Sixteen-year-old Cale has always loved adventure. Cheeky, music-loving and happiest outdoors, he has never lost his sense of curiosity. Diagnosed with cerebral palsy just before his first birthday, his family made the difficult decision to leave their home in far north Queensland and move to Sydney so Cale could access the therapies and support he needed.

Over the years the family adapted their home with ramps, an accessible bathroom and bedroom, and in 2017 Variety provided Cale with a manual wheelchair that improved his independence. But one dream remained out of reach – exploring the outdoors together. Living near mountain bike trails in Sydney’s Sutherland Shire, bush tracks were impossible to navigate in a wheelchair.

When their request for an Adaptive Mountain Bike was declined through the NDIS, the family turned to Variety. Through a Variety Mobility Equipment Grant, Cale received his own Adaptive Mountain Bike in 2024 – opening up a whole new world of possibility.

For the first time, Cale can ride the bush trails with his family and experience the freedom of the outdoors he loves. “This bike has changed Cale’s life,” says his mum Janine. “Variety has removed the barriers that held him back and given him the chance to truly join in.”

NONE OF THIS WOULD BE POSSIBLE WITHOUT THE INCREDIBLE SUPPORT OF OUR ADVENTURERS AND VARIETY MOTORING FUNDRAISERS!
