The humble postie bike awaits.

Take on country backroads, mountain ranges and coastal cruising on an unforgettable six-day ride through Northern NSW.

Proudly Sponsored By

## From the high country to the coast, the 2026 Variety Postie Bike Dash is postie bike riding at its best.

Starting and finishing in Tamworth, riders will travel through some of NSW's most scenic and diverse landscapes, taking on country backroads, winding mountain roads, lush hinterland and coastal stretches.

But the Variety Postie Bike Dash is more than an incredible ride. Every kilometre travelled helps raise vital funds for children who need it the most.

Ride alongside a passionate community of Postie Bike Dashers, share the journey with mates old and new, and experience the camaraderie that makes Variety motoring events so special. With a carefully planned route and a dedicated support crew along for the ride, this is an adventure that is as meaningful as it is memorable.

**More than just a ride, the Postie Dash is an adventure with purpose.**

## Your support helps kids live without limits

Every kilometre ridden and every dollar raised through the Variety Postie Bike Dash helps Variety – the Children’s Charity NSW/ACT support kids who are sick, experiencing disadvantage or living with a disability.

For kids like Charli, that support can open up a whole new world. Charli lives with cerebral palsy and has often missed out on everyday childhood experiences because of where she can safely and comfortably go. Thanks to Variety supporters, Charli received an all-terrain beach wheelchair, giving her greater freedom to enjoy the outdoors with her friends and family.

“Inclusion is everything,” says Charli’s mum, Cassandra. “The all-terrain beach wheelchair has opened up Charli’s world. It gives her freedom and fun with her friends and her family. That’s life-changing.”

By joining the Variety Postie Bike Dash, you’re helping fund practical support that opens doors, builds confidence and gives kids the chance to thrive. It’s what makes this event more than a ride. It’s an adventure with purpose.
