Hi **Name**,

This year I am participating in the Variety B to B Bash, Variety's largest fundraising event. We are all really excited about the opportunity to make a difference and raise much needed funds for kids in need. Variety – the Children's Charity NSW/ACT is a wonderful organisation committed to supporting children who are sick, experiencing disadvantage or living with a disability.

We aim to raise **(enter target)** for Variety NSW/ACT and would be grateful if you would consider donating **(you may have different amounts to ask from different donors, e.g. \$500)** towards this goal but don't be shy, every little bit counts!

You can donate through our online fundraising page. It's easy to donate and you get a tax deductible receipt emailed straight to you. Just go to the link below to go to our fundraising page:

Your donation will help children like Daisy, a very sweet, funny girl who has experienced many challenges living with a neurodegenerative condition that affects every aspect of her life, including her mobility, speech, and cognitive ability.

Thanks to brilliant people like you, Variety NSW/ACT granted Daisy's school a Variety Sunshine Coach, which provides transport for children who are sick, living with a disability, experiencing disadvantage, or geographic isolation. The coach is fitted with wheelchair modifications that enable Daisy and her friends to spend time together enjoying school excursions, extra-curricular activities, and local community events.

Daisy loves having the chance to participate fully in school and community life and has even used the coach to attend work experience, where she's learned new skills and experienced things she otherwise wouldn't have. Isolation is a real risk for children like Daisy. But the Sunshine Coach gets her out, and she comes back ten foot tall and bullet proof after those experiences.
