

What happens if I choose the Virtual event;

- A team captain enters a team online and pays the \$500 (Or Variety can invoice if preferred)
- Get together a team of up to 10 people and ask each person to register as part of the team
- GET FUNDRAISING – we'd so love your team to fundraise and see who can win the highest individual or team prizes
- Ensure you have a good area to set up the bike and screen/internet to enable the bike to see the screen and join in the zoom link
- On Thursday 22nd April, Variety and Acrobat Removals will deliver you a spin bike along with a hamper for your after party (or you can choose to join us at Customs House). We will then arrange pick up the week after.
- Along with the bike you will be given antibacterial spray and cloth to wipe down your bike along with a bike Hygiene guideline – we ask that the bike is wiped down between each rider
- We ask that you come up with your own COVID safe plan to ensure this is being met at your venue
- Each bike will feature your team name/Company name on the front of the bike (please put this signage on your bike with cable tied provided)
- Variety will provide a zoom link the day before and you are to login from 9.30am on Friday 23rd April
- We must be able to see your team on the Zoom link
- At each hour (10am must show 0.00km) we will ask your team captain to text through a picture of the bike pedometer and we will then put all teams KM's onto the zoom link
- Lastly, but most importantly – HAVE FUN. This is a great event to have some fun with your team mates and help Variety support Kids in need

What happens if I choose the Outdoor Event;

- A team captain enters a team online and pays the \$650 (or Variety can invoice if preferred)
- Get together a team of up to 10 people and ask each person to register as part of the team
- GET FUNDRAISING – we'd so love your team to fundraise and see who can win the highest individual or team prizes
- This will be a COVID safe event and entrants will be asked to QR code into the event site at the Station. Entrants can start arriving from 9am
- Each bike will feature your team name/Company name on the front of the bike
- Each bike will have antibacterial spray and wipes for bike hygiene and we ask that the bike is wiped down between each rider (COVID Safe marshalls present on the day)
- At 9.45am a Bike briefing and warm up will be direct from our MC Mike Wilkins, and the event will start at 10am

- On each hour, a Variety volunteer will come around and take down your KM's and this will be shown on screen
- At The Station you will have access to refreshments on the day – Variety Coffee cart and BBQ trailer will be onsite and ready to serve you and your team
- All team entrants are invited back to Customs House for the after party (must RSVP), where you will receive 1 free drink and some cocktail food.
- Lastly, but most importantly – HAVE FUN. This is a great event to have some fun with your team mates and help Variety support Kids in need.
