## WHAT DOES IT TAKE TO BE A BASHER?

- Be 18 or over, love having fun and adventure
- Have a teammate to come with you
  - A car that's at least 25 years old
- A big heart to fundraise to help kids in need

## What Is A Bash Car?

Bash cars are as unique and colourful as the people who drive them! To take part, cars must be at least 25 years old, in good condition, and tough enough to tackle rough dirt roads. Classic 4WDs are also welcome, as long as they're 30 years or older.

What makes them really stand out is the fun - Bashers love to theme their cars (and themselves!) to bring laughter, colour and excitement everywhere we go. From bold paint jobs to wild costumes, it's all part of the joy of rolling into schools and communities in true Bash style.

## How Much Does It Cost?

The Variety B to B Bash is all about adventure, mateship and making a difference. Every car commits to raising a minimum of \$8,500 in donations - all of which is fully tax-deductible. These funds go directly towards helping kids who are sick, disadvantaged or living with a disability. A provisions fee will be set closer to the event and includes most meals, selected merchandise, car signage, photos, videos, and Bash entertainment.

### NEW TO THE BASH?

We offer a 50% discount on minimum donation for first-time Bashers.

## Bringing joy to kids in need

On the Bash, every kilometre counts. Along the way you'll visit remote schools, deliver life-changing grants, and see first-hand the impact your fundraising has on children in regional and remote communities.

Variety - the Children's Charity NSW/ACT has been supporting kids, families and communities across Australia for more than 50 years, and our motoring events are a proud tradition. They not only open up roads less travelled - they create unforgettable moments of connection and generosity.

In 2025 alone, 39 Motoring Grants were awarded to schools and community organisations in regional areas through our motoring events - a testament to the difference your support makes.
