

2027 Variety NSW Bash – Theme Nights

Each night, Bashers can get into the spirit with a fun dress-up theme and unwind after the day's drive. Dressing up is completely optional, so there's no pressure to take part if it's not your thing.

The best dressed each night earns the honour of leading the Bash out under the arch the following morning.

Sunday 17 May, Port Macquarie - Trolls Takeover!

A tribute to our reigning Spirit of the Bash winners, Team Trolls ... think colour, rainbows, glitter, sequins and sparkles!

Monday 18 May, Armidale - Baa-sh in the Bush

Armidale is renowned for producing the finest Merino wool and has a strong agricultural sector. Grandma's tweed might come in handy!

Tuesday 19 May, Moree - Come as you are

Moree is home to numerous artesian baths and hot springs. After three days of Bashing, spend your free time relaxing and soaking in the amazing mineral salts. No official theme tonight, come however you wish.

Wednesday 20 May, Lightning Ridge - The Great Opal Heist

"The Ridge" is known as The Black Opal Capital of the World, but it's under threat. Will you be a villain in search of precious gems or a hero saving the local miners from shady thieves?

Thursday 21 May, Narrabri - Science Lab Gone Wrong

Narrabri is a base for the CSIRO including an observatory, telescopes and multiple research facilities. Remember, not all scientists wear lab coats!

Friday 22 May, Tamworth - Presentation Night

Our final night on the Bash is a time to celebrate our achievements and fundraising efforts. Come dressed up and get ready to party!
